

Coaching License Requirements for Non-Teachers

A person who does not hold a current New York State teaching certificate may be employed as a temporary coach only if there are no certified teachers available with experience and qualifications to coach the team.

Prior to submission of an application to the Superintendent, prospective non-teacher coaches who are not certified teachers must:

1. Submit a copy of a valid First Aid certification. First Aid certification can be achieved through the American Red Cross or by the Division of Physical Education.
2. Submit a copy of a valid CPR certification.
3. Complete a Temporary Coaching, License Application and attach a \$50 money order or cashiers check made payable to the NYS Education Department. An application for a Temporary Coaching License can be picked up in the Athletic Director's Office.
4. Submit a copy of a Certificate of Completion for training of Suspected Child Abuse. This is a minimum of two clock hours of coursework or training regarding the identification and reporting of suspected child abuse or maltreatment in accordance with Sections 3003(4) of the Education Law. This training is available only from a provider approved by the New York State Education Department.
