

Grade 5 Supply List

Welcome to fifth grade!

In order for us to accomplish our goals, you will need the supplies listed below to help you remain organized and productive. You will be studying about many fascinating places. You will also increase your knowledge of multiplication, division, decimals and fractions. Your knowledge and enjoyment for all types of books will grow and you will become a better reader and writer! Have a great summer! Laugh, play and be sure to **enjoy every day!** Remember to read daily and practice your math facts. *See you in September!*

Parents: Please get only items on the list. Extra items will be sent home, as space is limited. Locks **are not** permitted on lockers. Also, please **do not** label supply items. We will take care of that with the students, in class, as a learning/organizing activity. This way we'll all be organized in the same manner. Please **do not** send in the following: backpacks with wheels, binders of any kind, or white out. Thank you for your help and support.

- 1 package of loose leaf paper
- 1 package of post-it notes
- 2 packages of #2 pencils (pre-sharpened Ticonderoga Brand preferred)
- 2 different color highlighters
- Crayons or colored pencils (24 pack maximum)
- 2 glue sticks
- 1 zippered pencil pouch
- 1 smock

Some teachers have different needs, if your child is in one of the following classes please add these items to your list.

You do **NOT** need to purchase all of these items new. If you have some of these items from previous years or have other items that are in usable shape at home already, **SEND THOSE IN!** These items do not need to be fancy, just functional!!!

******Major retailers begin their back to school sales right in July. That will be the best time to get any needed items for the least expensive amount. The dollar store in the Tops Plaza in Greenville also sells ALL of these items for \$1.00 or less.******
