

Scott M. Ellis Elementary School

Greenville CSD - where everyone Learns, Teaches, Belongs! Spartan STRONG!

November 2, 2018

Dear Families,

It is hard to believe that it's November already! It has been a busy and exciting week for students. Our fourth graders went on a field trip to the New York State Museum; they enjoyed learning all about Native Americans and the settling of New York State. Our students received many compliments about their behavior on this trip!

Thursday evening, students in grades 3-5 attended Science Night. Students and their family members had the opportunity to explore 6 different hands-on science experiments, as well as watch a demonstration on how sound travels.

On Friday, students in grades 3 and 4 attended a play based on the Legend of Sleepy Hollow. Experiences such as this helps to expose our students to the art of storytelling through the performing arts.

Signs are also popping up around the halls of Ellis announcing the opening of a school store. Mrs. Scher's classroom is excited to announce the store's Grand Opening on Wednesday, November 14th! The Spartan Store hours will be: Mondays 8:15-8:30 am, Wednesdays 2:00-2:20 pm, and Fridays from 8:15-8:30 am. The store will feature items such as pens, pencils, erasers, and pencil tops and will be located in the ground floor elevator lobby.

As a reminder, Tuesday, November 6th is a Superintendent's Conference Day so students will not attend school on that day. Next Friday, November 9th, we will practice a lockdown drill

during the day. In addition, elementary students will be dismissed at 2:10, 15 minutes earlier than usual on that Friday the 9th.

Sincerely,

Erin DuBois
Interim Principal
