

Scott M. Ellis Elementary School

Greenville CSD - where everyone Learns, Teaches, Belongs! Spartan STRONG!

October 22, 2018

Dear Families,

The fall is definitely here! As the days become colder, we have been seeing lots of students coming to school dressed for the weather, complete with jackets, hats and gloves. Please remember to label all clothing. Oftentimes students need a jacket in the morning, but as the day warms up, jackets and sweatshirts get left behind. We will return items with names on them. If your child is missing anything, please check the lost and found in the kindergarten hallway.

The elementary school has been busy. On Friday, October 12th, local firefighters and EMS personnel came to Scott M. Ellis and taught students about important fire prevention and safety rules. Students were excited to see firefighters in full gear, hear what a real 911 call might sound like, and explore various trucks and equipment used in fighting fires. Thank you to all the volunteers that made the day possible!

On Tuesday, October 16th, third grade students received a special visit from the Greenville Rotary who generously donated dictionaries to every student in honor of Noah Webster's birthday. On Friday evening our third, fourth and fifth grade students enjoyed a fun fall activity night sponsored by the Caring Kids Club.

Our monthly character education assemblies are continuing to focus on everyone belonging, appreciating differences and being kind. Fall festivities will continue this week with the PTA annual Trunk or Treat Event on Friday, October 26th. We look forward to lots of families enjoying this fun event together!

Sincerely,

Erin DuBois
Interim Principal
