CHOICES FOR 2013-2014

Students are asked to select courses in each of the subject areas. The courses listed on the previous sheet are ALL of the courses Greenville High School *could* offer. Whether or not a course runs is dependent upon some of the following factors: budget, staffing, student interest and master scheduling constraints. This is not a schedule nor does it insure enrollment in a class. We will do our best to accommodate requests and provide students with options and courses that are of interest to them.
