Dear Parents,

The purpose of this letter is to update you on an incident that occurred in a high school class this morning. At approximately 10:35, a small fire occurred in our Wood Shop's separate paint room. All students and staff were immediately evacuated from the middle and high school facility after a fire alarm was pulled by a staff member. Our local fire department responded to the scene. All students and staff who were in that classroom were taken to our Transportation Office where their vital signs were checked by our school nursing staff. There are no injuries to report at this time. If you have any questions please do not hesitate to contact either Michael Laster, High School Principal or Brian Reeve, Middle School Principal.

Respectfully,

Michael Laster

High School Principal

Brian Reeve

Middle School Principal
