

Cindi Zagorski Memorial Award

This annual honorary award has been established in memory of Cindi Zagorski. Cindi was involved in many different PTA positions on the local and district (now known as a region) level. She was the District Director of the Adirondack District (now known as Northeastern Region) for almost 3 years. Cindi's goal was to improve communication between PTA's and administrators. She started what is now our annual board brunch.

Cindi was a 1st grade teacher at Mechanicville Elementary School for over 3 years and was very dedicated to her children. She developed a curriculum for her students which reflected her philosophy of the child being the center of the learning.

The Cindi Zagorski Memorial Award is presented annually at our Northeastern Region PTA Presidents and Principals Dinner in October.
