RE: SUMMER READING PROGRAM
SEVENTH/EIGHTH GRADE

Dear Parents and Students:

In an effort to improve reading skills and to encourage our Middle School students to value reading, we have compiled the following summer reading lists by grade level. These works are readily available in local libraries as well as bookstores in Albany.

We strongly recommend that students read at least one of the books listed during the summer months and complete an essay on that work. Attached, please find the essay questions and requirements. This essay will be evaluated in September and assigned enrichment and/or extra credit for the first marking period.

We hope that the summer months will provide the opportunity for pleasure and enrichment through reading.

Sincerely,

Mrs. Carlton, 7th Grade
Mrs. Moylan, 8th Grade
