## 6<sup>th</sup> Grade Supply List 2018-19

The following list represents supplies we are requesting for the incoming sixth grade students. Please try to find items that best match our descriptions. We also ask that you refrain from labeling the items with any information other than the student's name, as we will work with them to teach organization and study skills, in each of our classes.

We look forward to working with both you and your youngsters! The Sixth Grade Team
