Brian W. Reeve, Principal

Dear 6th Grader,

Did you have a good year? Did you enjoy 5th grade projects and activities? Did you get to read a few books you absolutely loved? We hope that the answer to each is a definite YES! To read for pleasure can be one of the most rewarding activities in life. We hope that you will continue to enjoy good books and good stories over the summer. We recommend that you read 3 books this summer, either from the list or from your own search in the library or book store. If you read for at least 15 minutes a day, you should be able to reach this goal with ease. Ms. Parvis and I would love to know what you have read this summer, so please complete and return the information form included on the first day of school.

We wish you a wonderful summer and look forward to welcoming you back in the new school year.
