Dear Friends of Donna Accuosti,

As many of you already know, Donna Accuosti, Assistant Superintendent of Greenville CSD, passed away on January 15. Donna was more than a respected colleague to the faculty and staff of Greenville CSD, she was a deeply caring friend. Donna modeled the respect and care we all seek to embody, constantly asking about the events and people that mattered to each person. Her laughter, genuine interest, and compassion were constantly present within her relationships. Donna's daily presence will be missed, but her influence will remain.

Donna was passionate about her calling as a teacher and devoted herself to the work of education. She was a proud teacher to the children of Hudson City School District for over two decades, and served as a leader within the Greenville Central School District. Donna achieved the highest levels of expertise, excellent classroom practice, National Certification, and a doctorate (Ed.D.) in educational curriculum, instruction, and assessment from Northeastern University.

In honor of her numerous contributions to the lives of children and educators, the **Donna Accuosti Scholarship Fund** will be established in her memory. This scholarship will be presented to a graduating senior of the Greenville Central School District, selected for their profound care for others and an interest in the service of teaching.
