

1st Annual IB Recognition Ceremony

On January 9th, the first Annual International Baccalaureate Recognition Ceremony was held. Twenty six students received IB certificates; some students had completed multiple IB classes. High School Principal Michael Laster opened the ceremony, Board of Education President Anne Mitchell addressed the audience and IB Coordinator, Melissa Palmer distributed the IB certificates. Students, families and IB Teachers were then able to celebrate the accomplishments of these hard-working students. Immediately following the IB Recognition Ceremony, an IB Open House was held. Interested prospective IB students and their families were able to meet IB teachers, receive course syllabi and ask questions.
