COMMUNITY AND STUDENTS WORKING TOGETHER FOR SAFE PROM

The GCS chapter of S.A.D.D. (Students Against Destructive Decisions) has been working very hard to organize a Post Prom Party for May 11th-12th. The purpose of the all night party is to provide a safe, drug and alcohol free environment for students to "party till dawn." Hopefully, this will help prevent any serious drug and alcohol related accidents from occurring after the Prom. Over 100 students attend each year. All GCS juniors and seniors are invited to attend, regardless of whether they go to the Prom.

A record number of parents, community members, businesses and service organizations gave very generously their time and resources to help make last year's event outstanding and very successful.

The following is a list of those who have demonstrated their support already this year: Doreen's Family Hair Care Saloon and Spa, Hydroskill Water System Inc., Greenville Saw Service Inc., Van Auken Express Inc., B&B Forest Products LDT., Mr. and Mrs. Roy Davies, Greenville Faculty Association, Town Line Auto, Tip Top Furniture, Ciani & Morris Physical Therapy, Modern Metal Fabricators Inc., Country Square Wine and Liquor, Greenville Fire Auxiliary, Tri-Village Volunteer Fire Company Inc., Eastern Mutual Insurance Company, Grapeville Agency Inc., Walenta and Clark Agency, National Bank of Coxsackie, and Kelly's Pharmacy.

More have expressed an interest and are expected to contribute. Another listing will be publicized in the near future to show S.A.D.D.'s gratitude and to commend the many caring and involved individuals and businesses.

Doors close at 12:00 A.M. A list of students who attend the party, and what time they leave, will be available after the party for any parents who want to contact Mr. Tyrrell at the High School (966-5070)

If your business or service organization has **not** been contacted, or you have not yet taken the opportunity to become part of this combined effort between the school and community, please feel free to join in! Contact **James Tyrrell (S.A.D.D. Advisor) at Greenville High School, Greenville, N.Y. (966-5070)**. S.A.D.D. is hopeful that this event will save lives and be great fun!
